

## **REMARKS**

### **Formal Matters**

Claims 1-8, 10-12, 15 and 16 are pending after entry of the amendments set forth herein.

Claims 1-8, 10-12 and 15 were examined. Claims 1-8, 10-12 and 15 were rejected. Claim 16 was withdrawn.

Applicants respectfully requests reconsideration of the application in view of the amendments and remarks made herein, in addition to the remarks made in the Amendment filed on March 21, 2006 and the correction of the status identifier for claim 15 filed on April 11, 2006.

No new matter has been added.

### **The Notice of Non-Compliant Amendment**

In the Notice of Non-Compliant Amendment mailed December 14, 2006, the Examiner indicated that the phrase "currently amended" should not be included in front of the amendment of the specification paragraph as it was considered to be confusing. In response thereto, Applicants have removed the phrase in the amendment above. Applicants have further changed the above amendment to delete the previously disclosed url address and the language associated therewith. Provided above is the corrected "Amendments to the Specification" section.

### **Conclusion**

Applicants submit that all of the claims are in condition for allowance, which action is requested. If the Examiner finds that a telephone conference would expedite the prosecution of this application, please telephone the undersigned at the number provided.
